

Hello,

Mental Health Partners works hard every day to fulfill our mission to the people and community we are privileged to serve. We work each day with these words in mind:

HEALING is our purpose

HELP is our promise

HEALTH is our passion

I want to keep you informed of various services we provide and locations (note there are some changes) for Mental Health Partners. We have developed processes to streamline client access and to make sending referrals as smooth as possible. The easiest thing to do if you want services or information is to please **call our main number, 303-443-8500 or visit our website at www.mhpcolorado.org**.

The grid on the next page outlines some of our major service offerings and their locations, effective November 2016. The following pages provide more details by site about services provided there and upcoming changes.

Mental Health Partners looks forward to providing its local communities with outstanding client care and our continued professional dedication to quality service.

With best regards,

Kelly

Boulder

We have built out the second floor of the Ryan Wellness Center at 1000 Alpine Avenue and the building renovation is nearly complete. We are dedicating a campus for adult services that is housed at the Ryan Wellness Center and the Norton Center for Behavioral Medicine just south of it on 975 North Street. We are thrilled to consolidate services that enable us to better serve the community.

Services available at 3180 Airport Road, Boulder:

- **24-hour Walk-In Center**—If you or someone you know is experiencing a behavioral health urgent or crisis need, counselors are available 24/7/365 by telephone or by walk-in; calls can be made to 1-844-493 TALK (8255) or text TALK to 38255; and you can also call our telephone (303-443-8500) and be directed to the above line.
- **Substance Use Disorder/Addictions Services**—Treatment and support for alcohol and/or drug addictions, including detoxification, medication assisted treatment, transitional residential treatment, case management and outpatient group therapy

3180 Airport Rd. Hours: Open 24/7/365.

Services available at the Norton Center for Behavioral Medicine, 975 North Street, Boulder:

- **Medical**—Psychiatric provider clinic, adult psychiatry, adult nursing and telehealth services
- **Genoa Pharmacy**—Prescriptions filled
- **Connections**—Case management, supportive counseling and peer services

Norton Center for Behavioral Medicine: Monday -Thurs, 8 a.m. to 6 p.m.; Friday, 8 a.m. to 5 p.m.

Services available at the Ryan Wellness Center, 1000 Alpine Avenue, Boulder:

- **First Service**—Provides initial assessment (first service) for adults who are seeking treatment at Mental Health Partners; includes assessment with a clinician to assess symptoms and determine if and what programs would be most appropriate
- **Adult Outpatient and Substance Use Services**—Individual and group therapy, case management and medical, psychiatric treatment for adults with mental illness, substance use issues, and those having a co-occurring mental health and substance abuse disorder
- **Employment**—Assists clients in all stages of the employment journey, such as job coaching, application completions, resume building and job search strategies and works with the Department of Vocational Rehabilitation
- **Boulder Journeys—Psychosocial Rehabilitation (PSR)**—Community-based services designed to enhance quality of life for clients by assisting them in developing life skills, interpersonal skills and expanding and accessing supports in the community; other services include psychiatric services, assistance with employment, peer support specialist services, housing support, financial planning, wellness coaching and a variety of groups and classes

- **Health Home**—A collaborative effort between Mental Health Partners, Clinica Family Health and Dental Aid that provides access to behavioral, physical and oral healthcare all in one location
 - **Clinica Family Health**—In coordination with Mental Health Partners staff, primary care providers, nurses and medical assistants assist with overall healthcare needs
 - **Dental Aid**—Hygienic visits for clients are available every other Monday
 - **Connections**—Case management, supportive counseling and peer services
 - **Wellness**—Clients in all stages of recovery focus on their well-being through evidence-based programs, workshops, individual coaching and experiential activities
 - **Housing**—Manages housing voucher programs, supportive housing programs, brief housing support and advice in Boulder and Longmont
 - **Older Adult Specialized Services**—Provides therapy and case management for individuals ages 60 and older; integrated service providers can see people at select area healthcare clinics as well as receive referrals from these clinics
 - **Supported Training, Education & Chinook Community**—Supports educational, pre-vocations and social pursuits of individuals along their recovery journey, including a program to train clients in culinary, customer service and point-of-sale system skills, as well as computer training
- Ryan Wellness Center Hours: Monday - Thursday, 8 a.m. to 6 p.m.; Friday, 8 a.m. to 5 p.m.**

Services available at North Broadway Campus, 1333 Iris Avenue, Boulder:

- **Child and Family Services**—Family support ranging from assessment assistance, diagnosis and treatment, substance use disorder treatment for teens, and intensive home-based family intervention for young children and youths to help stabilize crisis situations
 - **Community Infant Program**—Intensive office or home-based treatment for children at risk for abuse, neglect or failure to thrive and their caretakers
 - **Moving to End Sexual Assault (MESA)**—Trained clinicians and volunteers provide 24-hour crisis intervention, information, advocacy, treatment and support for survivors of sexual assault
 - **Information Services**—Assistance with computer-related issues and training for MHP staff only
- 1333 Iris Avenue Hours: Monday - Thursday, 8 a.m. to 6 p.m.; Friday, 8 a.m. to 5 p.m.**

Administrative teams located at 3470 Broadway (North Broadway Campus), Boulder:

- **Accounts Receivable**
- **Data analysts**
- **Information Systems informatics**

3470 Broadway Hours: No public access at this time.

Broomfield

This year we combined our two Broomfield offices and moved into the new Health and Human Services building at 100 Spader Way. Working alongside our Broomfield County partners in this building shortens the time it takes to help clients receive additional county resources and offers an extremely collaborative work environment.

Services available at Broomfield Health and Human Services building, 100 Spader Way, Suite 249:

- **First Service**—Provides initial assessment (first service) for very young child, children, adolescents and adults who are seeking treatment at Mental Health Partners; includes assessment with a clinician to assess symptoms and determine if and what programs would be most appropriate
- **Connections**—Case management, supportive counseling and peer services
- **Classes and Therapy Groups**—Multiple classes and therapy groups are offered that support personal growth, change, well-being, relationships, anger, depression and anxiety, among many others, as well as art and writing classes
- **Employment Specialist**—Assistance with career exploration, finding a job, resume writing, interviewing skills, referral to Division of Vocational Rehabilitation, job placement and coaching, and volunteer opportunities
- **Individual and Family Therapy**—Goal-directed and time limited (3-12) sessions focused on learning to make positive changes in life
- **Medical**—Psychiatric provider clinic, nursing

100 Spader Way Hours: Monday - Friday, 9 a.m. to 5 p.m.

Lafayette

Remodeling is an ongoing process at our three-story office building at 1455 Dixon Ave. As renovations are completed, additional teams will move to this Lafayette location, as well as a **clinic slated to open November 21, 2016**. All executive leadership is now located in Lafayette.

Administrative teams located at 1455 Dixon Avenue, Lafayette:

- **Accounting**
- **Community Engagement**
- **Compliance**
- **Executive Leadership**
- **Facilities Management**
- **Human Resources/Training/Disaster Coordination**
- **Project Management**
- **Quality Assurance**

1455 Dixon Avenue Hours: Monday - Friday, 7 a.m. to 6 p.m.

Longmont

The St. Vrain Community Hub provides us with space on the second and third floors in which we have expanded our services in the building's north wing. Our Wellness Education Center on Sherman Street continues to serve clients with a full range of services through appointments, groups and walk-in availability.

Services available at St. Vrain Community Hub building, 529 Coffman Street, Longmont:

- **First Service** —Provides initial assessment (first service) for very young child, children, adolescents and adults who are seeking treatment at Mental Health Partners; includes assessment with a clinician to assess symptoms and determine if and what programs would be most appropriate
- **Community Infant Program**—Intensive office and home-based treatment for children at risk for abuse, neglect or failure to thrive and their caretakers
- **Connections**—Case management, supportive counseling and peer services
 - **Wellness**—Clients in all stages of recovery focus on their well-being through evidence-based programs, workshops, individual coaching and experiential activities
- **Employment and Education**—Assists clients in all stages of the employment journey, such as job coaching, application completions, resume building and job search strategies and works with the Department of Vocational Rehabilitation
- **Adult Outpatient and Substance Use Services**—Individual and group therapy, case management and medical, psychiatric treatment for adults with mental illness, substance use issues, and those having a co-occurring mental health and substance abuse disorder
- **Longmont Child and Family Services**—Family support ranging from assessment assistance, diagnosis and treatment, and intensive home-based family intervention for young children and youths to help stabilize crisis situations
- **Medical**—Psychiatric provider clinic, nursing

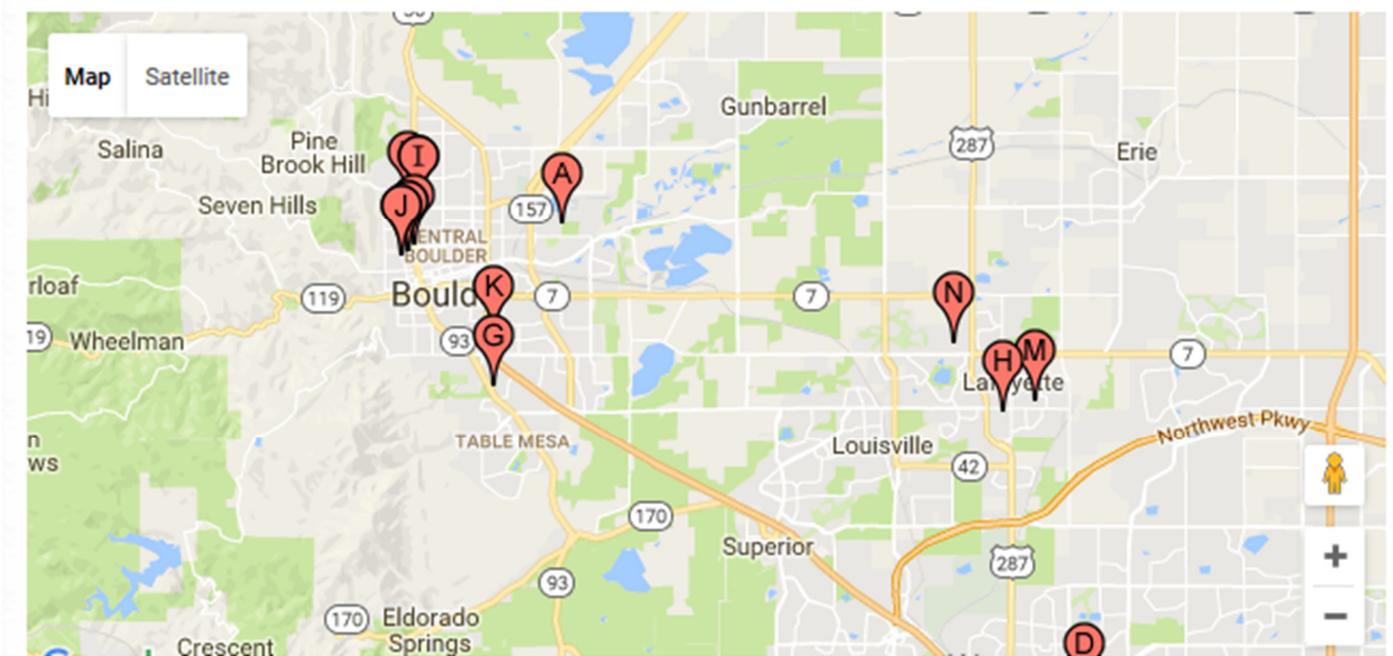

529 Coffman Street Hours: Monday - Thursday, 8 a.m. to 7 p.m.; Friday, 8 a.m. to 5 p.m.

Services available at Wellness Education Center, 834 S. Sherman Street, Longmont:

- **Case Management Services**—Walk-in assistance with case management needs for clients who primarily access psychiatric services at the Sherman facility
- **Longmont Journeys—Psychosocial Rehabilitation (PSR) and Assertive Community Treatment (ACT)**—Community-based services designed to enhance quality of life for clients by assisting them in developing life skills, interpersonal skills and expanding and accessing supports in the community; other services include psychiatric services, assistance with employment, peer support specialist services, housing support, financial planning, wellness coaching and a variety of groups and classes

834 S. Sherman Street Hours: Monday - Friday, 8:30 a.m. to 5 p.m.; Thursday, closed 1 to 2:30 p.m.
