- The reading of the *General regulations-Diploma Programme (first examinations May 2015)* document (prior to entering the IB DP) is assumed to be the student and parent/guardian responsibility.
- Each IB Diploma Candidate commits to fulfilling all IB diploma requirements including both the internal and external assessments in a minimum of six IB courses (including both the internal and external assessments) as well as the IB Core (CAS, TOK, EE) understanding that neither individual IB scores nor IB Diploma are granted when any of the required assessment or IB Core components are incomplete.
- Academic Honesty and commitment to uphold the NHS Honor Code are expected of all students at Niwot High School. IB students engaging in academic misconduct may jeopardize their IB scores and or IB Diploma in addition to any other school defined consequences.
- International Baccalaureate Organization (IBO) expects each IB authorized schools to develop and follow an internal calendar to ensure that all IB Diploma required components are available to be shared with IB in accordance with IBO deadlines. All IB students at NHS are expected to follow and comply with that internal calendar.
- IB registration and associated IB exam costs are the responsibility of the student/parent. IB exam fees include the IB registration fee and the IB exam fees. May 2018 IB examination session prices: \$172 (IB registration fee) and \$119 (each individual IB exam cost). IB DP fees are subject to change each year. IB fees may be deemed by IBO as non refundable. Financial assistance is available for students who demonstrate financial need. In addition, NHS IB families can participate in the King Soopers Reloadable Card fundraising program to assist with the IB DP related costs.
- IB Diploma Candidate/s unable to progress sufficiently (in accordance with the internal calendar outside of extenuating circumstances) with the required components of the IB DP may benefit from an adjustment from an IB Diploma to an IB Course Candidate status.
