**Due By: Friday, April 13th**

Student Council is a full year class. Make sure you make room for both semesters on your schedule. Also consider that Student Council requires outside of the normal school day commitments.

This course promotes the development of leadership and character building. Students design, organize and conduct a variety of activities, which may include leadership lessons, school dances, Homecoming events, pep rallies and other student activities. Class responsibilities include commitments outside of school hours for setting up events, taking down after events and attending trainings and conferences when appropriate.
