

SAT/PSAT Testing Information

All 9th, 10th and 11th grade students in Colorado are given the opportunity to take the PSAT 9, PSAT 10, and the SAT tests for free at their high school. The PSAT 9 and PSAT 10 prepare students to take the SAT test as juniors. The SAT is used by colleges and universities to help determine acceptance and scholarship opportunities.

Juniors will take the SAT on Tuesday, April 10th. Freshmen and sophomores will take the PSAT on Wednesday, April 11th. Students who are not testing on these days will report to classes at 12:15. Students should bring #2 pencils and a calculator for testing. Students may bring water and a snack into the testing room.

Breakfast will be provided from 7:00-7:30 and lunch will be served from 11:30-12:15. All students will report to their 30-minute classes starting at 12:15.
